

# TERMS & CONDITIONS

In this document you will find the detailed terms and conditions of service for Watt Utilities Ltd.

For your benefit and ease of use, we have set out below the principal terms which come into effect once a customer uses the Watt Utilities Ltd switching service.

1. The circumstances under which Watt Utilities Ltd will compensate customers for any loss occurring as a result of an act or omission made by Watt Utilities Ltd in carrying out the Switching Service. See Clause 10.4 for more information.
2. Subject to Clause 6 below, the Watt Utilities Ltd Switching Service is free of any charges except when a customer subsequently decides not to continue with the transfer after having agreed upon a verbal contract.
3. By agreeing to the Services, the Customer is accepting that the Supplier may pay WATT Utilities Ltd a Referral Fee or Commission for the introduction. WATT Utilities Ltd therefore may receive a commission payment from a Supplier should the Customer enter into a Contract with a Supplier. The amount of commission may vary depending on the Supplier and the type of Contract entered into. The standard industry practice is for the Supplier to apply an uplift to your unit cost for the utility provided. By way of an example, if we secure a price of 10p/KwH and then the Supplier adds an uplift of 0.3p/KwH this would make the price 10.3p/KwH and our commission would be the 0.3p/KwH. The uplift will depend on the energy usage, spend, length of contract, credit risk etc. We however at all times abide to the industry average and will never charge more than what is fair and reasonable. We must stress that any commission payment does not, and will not, interfere with our obligation to recommend Suppliers based upon the Customer's needs and requirements.

If you have any specific questions in relation to our terms and conditions, our Customer Service team will be more than happy to help. Likewise, if you feel that we did not handle your issue in the right way or there is a problem we might be able to fix, please get in touch. Your views are very important to us. If we have not delivered the standard of

service you expected, or if we made a mistake, we would like to know. We will investigate the situation and set about putting it right as quickly as we can, if we can. We don't want to make the same mistake again, so your feedback is very important to us.

WATT UTILITIES LTD and the Supplier reserve the right to revise, amend or withdraw any Quotation at any time upon informing the Customer.

4.2 The provision of any Quotation by a Supplier via WATT UTILITIES LTD does not constitute an offer to the Customer and the terms of a Quotation and duration for which any Quotation will be valid will vary depending on the Supplier. The Customer's acceptance of a Quotation constitutes a non-revocable offer by the Customer to engage the

Supplier to provide the Supplier Services and once such an offer has been made by the Customer, the Customer shall be committed to such offer and shall not be entitled to revoke the offer.

4.3 All offers made by Customers shall be subject at all times to the Supplier's acceptance and the Supplier shall be entitled at any time to refuse to accept a Customer's offer for any reason at the Supplier's sole discretion. If any of the Customer information needs to be amended or rectified, this may result in the transfer being delayed or rejected by the Supplier.

**4.6** Once the Contract is in final form, WATT UTILITIES LTD will send a summary of the key terms of the Contract to the Customer. The Customer must check that all the details are correct and must inform WATT UTILITIES LTD of any errors and/or amendments within 24 hours of receipt.

The Customer agrees that WATT UTILITIES LTD is not liable in any way in relation to any transactions, dealings or arrangements of any kind made between the Customer and any Supplier and that any such transaction, dealing or arrangements (including, without limitation, any payment obligations of the Customer thereunder) are the Customer’s sole risk and responsibility.

### **Contract Checking Service**

4.10 If the Customer opts for and WATT UTILITIES LTD agrees to provide the Contract Checking Service, the Customer will be required to sign a Letter of Authority authorising WATT UTILITIES LTD to contact and liaise directly with the Customer’s Existing Supplier and the Customer agrees to promptly provide to WATT UTILITIES LTD all such information and assistance as WATT UTILITIES LTD may require in order to carry out the Contract Checking Service.

4.11 Upon receipt of a signed Letter of Authority WATT UTILITIES LTD will send to the Customer’s Existing Supplier a questionnaire requesting details of the key terms of the Customer’s arrangements with the Existing Supplier, including the contract end date, notice period,

termination process, current prices and details of the Customer's consumption.

**4.12** Once WATT UTILITIES LTD has received a response to the questionnaire from the Existing Supplier, WATT UTILITIES LTD will use its reasonable endeavours to forward such response to the Customer. However, WATT UTILITIES LTD shall not be responsible for any delay or failure by the Existing Supplier to respond to the questionnaire and/or to cooperate with WATT UTILITIES LTD in relation to any request WATT UTILITIES LTD may make whilst performing the Contract Checking Service.

**4.13** For the avoidance of doubt, WATT UTILITIES LTD shall not be responsible for the provision of any Supplier Services.

## **5. Charges**

**5.1** Save for clauses 5.2, 5.3 and 6 below, WATT UTILITIES LTD will provide the Services free of charge.

**5.2** WATT UTILITIES LTD reserves the right to be entitled to charge for any of the Services and/or impose charges at any time in its sole discretion, upon reasonable notification to the Customer. **5.4** Without prejudice to WATT UTILITIES LTD's other rights and remedies, if the Customer fails to pay when due any amount payable by it under or in connection with these Terms, including paragraph 6.4 below, it shall forthwith on demand by WATT UTILITIES LTD pay interest on the overdue amount from the due date until the date of actual payment (after as well as before judgment) at the rate of 8 per cent per annum or such percentage equivalent to the statutory rate of interest prescribed for judgments from time to time in place. In the alternative and where appropriate, WATT UTILITIES LTD reserves the right to claim

interest pursuant to the Late Payment of Commercial Debts (Interest) Act 1998.

## **6. Commission, service fees & how we get Paid**

As a result of using the Services the Customer acknowledges and agrees that WATT UTILITIES LTD may receive a Referral Fee or Commission payment directly from the Supplier should a customer enter into a energy Contract procured via us and this goes live. The Commission payment will be paid by the Supplier and will be calculated by applying a nominal fee to the Supplier's base costs. This commission pays for our service, including comparison, switch management, customer service and account management. The commission earned by Watt balances the cost to provide these services, in line with providing good customer outcomes and retaining our standing within the market in order to continue to provide customers competitive deals for their business. By agreeing to use our service, you are agreeing for Watt.co.uk to receive a commission for our service.

The Commission payment may vary dependent upon the Supplier and the type of Contract entered into. The commission is included within your unit cost of energy usage by way of a small uplift; therefore, the cost of Watt Utilities Service is included within the cost of the energy contract you agree with your chosen supplier. You are not required to make any direct payment to Watt Utilities Ltd.

As an example, we may secure an electricity unit rate of 15.5 pence per Kwh (kilowatt hour) to which we may apply an uplift of 0.7 pence, so the contracted price would be 16.2 pence per Kwh. The calculation for our commission is generally just a few percent of the cost of the total energy contract and typically under 1.5 pence of the unit rate.

Due to the way we are remunerated, we only offer business energy prices from the suppliers who are live on our panel. Because our commissions are based on future usage, they are forecast amounts. If you would like to find out the commission, we expect to receive from your contract please email [howwegetpaid@watt.co.uk](mailto:howwegetpaid@watt.co.uk).

Some suppliers may take additional payments to us, e.g. a normal payment per meter sold successfully to that supplier; however, these payments do not impact the impartiality of the comparison service provided.

The Commission payment may be paid to WATT UTILITIES LTD in full and/or in instalments from the date when the Customer enters a Contract with a Supplier.

The Customer agrees to indemnify WATT UTILITIES LTD for any Commission payments repaid to the Supplier in the scenario where the Customer cancels a Contract after a Commission payment has been paid and the Supplier clawbacks the Commission payment from WATT UTILITIES LTD.

It is important to note that the Commission payment shall never undermine the Services provided or influence the manner in which WATT UTILITIES LTD deal with a Customer. The Customer's interests will always remain paramount.

## **7. Customer's obligations**

**7.1** In addition to the Customer's other obligations set out in these Terms, the Customer warrants, represents and undertakes:

- a.** to co-operate with the Supplier(s) in all matters relating to the Services including, without limitation, providing all relevant information in a timely manner as the Supplier(s) and/or WATT UTILITIES LTD may require from time to time and that all such Customer information will be true, accurate, complete, reliable and current in all respects.

- c.** that any password, user details and/or account number allocated to or created by the Customer to enable the Customer to use the Services shall be kept confidential by the Customer at all times. WATT UTILITIES LTD will be entitled to assume that any
